

Deposit Terms

Puppy deposits are NON-REFUNDABLE unless a healthy puppy of your preferred color and sex is unavailable in the litter your deposit is assigned to. If a puppy is unavailable, we will notify you within a week after the litter is born.

At that time, you may decide to transfer your deposit to a future litter of a similar breeding, or have it refunded. If a puppy of your preferred sex and color is available for you, we will notify you shortly after the birth of the litter.

Puppies are ready to go to their new home at 49 days (7 weeks) of age. Approximately a week before the pickup day, we will contact you to set up a time to choose and pick your puppy up.

The outstanding balance is due at the time of pick up. We try to arrange to have everyone select their puppy in the order deposits were received, but we cannot guarantee it.

If you are unable to come at the appropriate time on pick up day, we will select the puppy for you according to your specifications.

We feel that the time between 7-16 weeks is a critical bonding time for the puppy with his/her new owners. We would strongly advise you to pick up your pup as soon as he/she is ready to go home.
